Swiper är ett javascript
bibliotek för att
implementera responsiv,
tillgängliga karusell / sliders
på webbplatser.

Karusell

Jquery

Smooth scroll function

```
$function(){
  $('.prenumerar').click(function(){
    let speed = 1100;
    let href= $(this).attr("href");
    let target = $(href);
    let position = target.offset().top;
    $("html, body").animate({scrollTop:position}, speed);
  });
});
```
